

## DECLARATION

### DIRECTIVE 97/23/EC (PRESSURE EQUIPMENT DIRECTIVE)

The company: **VALBIA S.r.l.**  
Address: **Via A. Canossi, 31 - 25060 Brozzo (Brescia) – Italia**

declares under its own responsibility

**that the pneumatic actuators that it manufactures are not included in the application field of the DIRECTIVE 97/23/EC (PED)**

The Directive 97/23/CE (PED) does not require the certification for a certain part under pressure if the thickness of its components (in our case the cylinder, the end caps and the screws) are 2,5 times superior to the minimum required according to the project calculation, to sustain to the declared maximum pressure.

The company works according to a Quality and Environmental System which complies with the standards ISO 9001 and ISO 14001, recognised by SQS.
